## Message from the President

Aloha,

2018 is proving to be a challenging year in many respects for all of us in tourism. Our company has pressed forward with our key goals ranging from the new show "Hawaiian Journey" through music and dance at Rock-A-Hula®, appealing to younger and broader audiences to opening Royal Star Hawaii's new maintenance facility in the Dillingham area.

Our proudest accomplishment is our ongoing training program teaching consistent service of Aloha to our guests as is so often reflected in their comments.

We thank our guests for reviewing us on TripAdvisor, which has awarded us with its "Certificate of Excellence" for the fourth year in a row!

Mahalo!

Ronald D. Howard, President & CEO

## Setting the Stage for your Hawaiian Memories®

We love to hear from our guests and would like to take the time to share some of the comments posted on TripAdvisor.

"I recently sailed with the Star of Honolulu, 5 Star dinner. The service was a '10'; never had to ask for a thing. It was very relaxing in the air conditioned top room; and also enjoyed the exclusive sunset viewing deck. I go on excursions regularly for my job; this stands out and is exceptional by all standards."

"This cruise tells us the pleasures born on Earth... well-chosen ingredients, proper cooking, music so harmoniously played by expressive professionals all enclosed on the ship. All of these are surrounded by the night view of Honolulu and the silhouette of Diamond Head which began twinkling with the sun setting in the Pacific Ocean. At the end of the cruise, the barriers between guests and hosts are removed. At this time the guest will know for themselves why they have visited this island. It is because of this cruise."

"Excellent & Enjoyable Cruise. Buffet was good, Staff was very attentive, beautiful sunset. Show was entertaining. We chose the most affordable package which turned out to be the best, everything just flowed! Something to recommend to friends & family."

"We booked the Green Room option. It was the most expensive, but well worth it. There is a separate VIP entrance. A half hour cocktail reception with decent champagne. A backstage tour with the very knowledgeable production manager. A sit down dinner with quality food. And a great show with a Polynesian twist on a Legends show. All quality performers. It's a great night."

"We loved this luau because it combined traditional luau with some rock n roll culture. The dancing was superb and the dinner buffet before the show was very good. Loved the after show pics with the cast and was just a really good night."

"Amazing day, pick up in a beautiful coach, very informative drivers, arrived at boat for a lunch cruise and snorkeling, lunch was the best bbq hamburgers, then onto see the beautiful dolphins. So many with their babies. Then out to a sheltered snorkeling area. Was really safe and well planned. Highly recommend. Dolphin Cruise staff were very accommodating and friendly. Boat was clean and plenty of room; great amenities and refreshments."
